Learn How to Attract Luck in Time for St. Patrick's Day!

The Contest Queen teaches you in her latest book.

OSHAWA, ON—Many people believe you are either born lucky or you are not. Did you know you can learn to be lucky? Carolyn Wilman, aka The Contest Queen, can teach you how, just in time for St. Patrick's Day!

It's such an important factor in winning, Carolyn included an entire chapter dedicated to it in her latest book: *How To Win Cash, Cars, Trips & More!*

To attract luck, there are seven traits and actions winners possess and do. They are:

1. Think positively.
2. Expect to win.
3. Feel like a winner.
4. Have good *chi* flowing inside and out.
5. Share with others.
6. Don't cheat.
7. Enter, Enter, Enter...

What is really wonderful and amazing about these traits and actions is they not only work to enter contests and win prizes, is they can be used to attract luck to any area of your life including: wealth, health and love.

Not only can you learn how to attract luck in both her books: *You Can't Win If You Don't Enter* and *How To Win Cash, Cars, Trips & More!*, but Carolyn also reveals inside tricks, tips and tactics, from the etiquette of playing the game to the tools of the trade; from rules and regulations...to the biggest mystery of all: how to increase one's chances of being a winner.

She also created ContestQueen.com (<http://www.contestqueen.com>) as 'a hub of all things contesting' with hundreds of free resources to sweepstakes websites, sweepstakes groups and forums, sweepstakes software, sweepstakes clubs and conventions.
