FOR IMMEDIATE RELEASE:

Helene Hadsell: The Woman Who Won Every Contest She Ever Entered

Oshawa ON – Helene Hadsell was “the woman who won every contest prize she desired,” and the author of the best-selling book *Contesting: The Name It & Claim It Game*. She shares her tips for winning in the vibrant, warm, and folksy manner that was uniquely her.

After being out of print for over 30-years, you can once again garner Helene’s winning wisdom. In 2008 Mrs. Hadsell told Carolyn Wilman, aka ‘The Contest Queen’ she should start teaching WINEuvers for WISHcraft as she was no longer teaching it. After 12 years, Carolyn finally picked up the gauntlet.

In this updated 3rd Edition, you will learn the nuts and bolts of the sweepstaking hobby. Everything from the contest mechanics to how to create a winning entry and, most importantly, how to win at the exciting game of life. Helene covers her secrets for confidence and success, and most importantly, how to visualize your achievements and victories. Her use of metaphors bore out of her experiences will help you clearly understand the principles of winning. You will also discover Helene’s thoughts on picking a winning lottery number. All of this, plus The Contest Queen’s modern contesting tips.

In conjunction with writing books, Ms. Wilman also created ContestQueen.com as ‘a hub of all things contesting’ with hundreds of free resources to sweepstakes websites, sweepstakes groups and forums, sweepstakes software, sweepstakes clubs, and conventions.

After a long life filled with adventures, she passed away in 2010.
